SUPPLEMENTAL EDUCATIONAL SERVICES QUESTIONS AND ANSWERS

The following is a list of questions and answers that will help you understand why you received this brochure…

Q. Why did I receive this brochure?

A. Your child **may** be eligible to receive *FREE tutoring* from a state-approved tutoring provider.

Q. How do I know if my child qualifies for the *FREE tutoring*?

A. If your child qualifies for the free/reduced lunch program by October 16, 2009, and in 2009-2010 is in grades 1-12 and enrolled at a Program Improvement School year 2 or more, they are eligible to receive FREE tutoring. Your child who will be in kindergarten in 2009-2010 must qualify for the free/reduced lunch program on October 16, 2009, and be enrolled at a Program Improvement School year 2 or more. Please contact your child's school or *Families in Schools* at 1 (866) 747-2275, or the Beyond the Bell Branch at (213) 241-7900 for more information.

Q. What are Supplemental Educational Services (SES)?

A. These are *FREE tutoring* services paid for under the *No Child Left Behind Act* to help your child improve his/her reading, math, or science skills.

Q. What do I have to do to receive these *FREE tutoring* services?

A. You must fill out the Sign-up Sheet, choose your providers, and mail it using the envelope provided in this brochure or deliver it to your child's school. You must be sure that the Sign-up Sheet is signed by YOU and we have all of the information to process the application.

Q. What is a provider?

A. A provider is the company that will tutor your child.

Q. Is there a deadline for me to register for these services?

A. You must fill out the Sign-up Sheet and mail it or deliver it to your school postmarked no later than 5:00 pm on June 30, 2009, or August 31, 2009, or October 16, 2009.

Q. How do I select a provider?

A. You can use the guide on page 2 to assist you in selecting the *FREE tutoring* provider.

Q. What is the cost for the *FREE tutoring*?

A. The tutoring is absolutely FREE. There is NO cost to you at all.

Q. When will the *FREE tutoring* start?

A. The *FREE tutoring* can start sometime during the 2009-2010 school year. The earlier you turn in your Sign-up Sheet, the earlier the *FREE tutoring* can start.

Q. What if my child does NOT qualify for *FREE tutoring*?

A. Beyond the Bell Branch offers a variety of programs at your child's school to assist children in need of educational assistance. Please contact your child's school or the Beyond the Bell Branch for further information.

YOUR CHILD MAY BE ELIGIBLE FOR FREE TUTORING!

Choose a provider for the FREE Tutoring.

First...use the grid on pages 4 through 9 and **cross out** the names of the providers that:

- DO NOT provide tutoring to the grade your child will be in during the **2009-2010** school year.
- DO NOT tutor in the subject you choose for your child. If you are not sure which subject to choose, (reading/language arts, math, or science ONLY) look at your child's report card or ask your child's teacher.
- DO NOT offer disability access at their location if you have a Special Education student who needs disability access.
- DO NOT tutor at the time of day or on the days you want tutoring.
- ONLY offer online tutoring if you do not want "online only."
- ONLY offer online tutoring and DO NOT give you a computer/internet access if you DO NOT have a computer or internet access.
- DO NOT offer a location that is convenient to you. (Be sure to call and ask!)

Then:

- Go to the page in the brochure for each provider that you have not crossed out and read all about that provider's services. If you have questions, call the phone number on the provider's page or on the grid and ask them your questions.
- Choose your first choice AND a DIFFERENT second choice. If you do not have a second choice and too many people request your first choice or your first choice is out of your child's grade level, you child may not receive *FREE tutoring.*
- Read the whole Sign-up Sheet attached to the back cover.

  1. Fill in your child's information if it is not already there.
  2. Check the "YES" box AND put your choices on the lines for first choice and second choice.
  3. **Sign it.**
  4. Put your phone number and the date.
  5. Send it in the envelope in the middle of the brochure or give it to the *FREE Tutoring* person at your child's school **before the deadline** (5:00 p.m., June 30, 2009, **or** 5:00 p.m., August 31, 2009, **or** 5:00 p.m., October 16, 2009.)

Important:

- You must sign the Sign-up Sheet in order for your child to receive *FREE tutoring.* Without your signature, we cannot give your information to the provider you selected so they can set up your child's *FREE tutoring.* **No one but the provider you choose and your child's school will receive any information about your child and the SES program from the LAUSD.**
- Please be sure to put your phone number so we can contact you if we have any questions about your Sign-up Sheet.
- If you need more information, contact your child's school or *Families in Schools* at 1 (866) 747-2275 or Beyond the Bell at (213) 241-7900.
