Like her name, A'Alyah is full of personality and life and she enjoys having new experiences. A'Alyah is a beautiful young lady who was born in 1994. She is talkative and opinionated and she likes to get lost in good conversation.

Esteem is a very important issue in a teen-ager's life and even the simplest things matter, like getting your hair done in the right way. Thanks to Florence at *Hair it Goes* in Long beach, California, A'Alyah received full attention at this salon and learned tips on how to keep her hair in tip top condition.

Like any other teen, this beautiful young lady enjoys music, acting and dancing and she may pursue a career in the creative arts. She also enjoys the drill team and sports but her heart's life goal is to be a pediatrician.

We've teamed up to find this awesome young lady a family to call her own. Won't you be the starting line up to be that family she needs and deserves?
