We don't get much snow in Southern California and usually not much rain either but on this particular day, there was a down pour. Practically overflowing with enthusiasm there is very little that would dampen this girl's spirits. Meet Destiny, born in 1994, this teen has a love for arts and crafts, music and dance, but most of all...making people laugh. Destiny says her dream is to be a stand-up comedian, *because "I love to make people laugh...and I know I'm funny!"* Favorite movie? *"High School Musical."* Have we got a surprise for you!

Destiny met with *High School Musical on Ice* star, Alyx Hewins for some holiday ice time at the Pershing Square Ice Rink sponsored by the LA Kings.

Destiny has an adventurous streak, which comes out when she talks about her favorite movies (“they’re all adventures!” she says). “*I LOVE High School Musical...and I know the words to all of the songs.*” But it’s not just her taste in movies that is adventurous; she’s also adventurous in her activities. Destiny loves to skateboard and roller skate, and for the first time, ice skating.

Destiny says that if she could tell people one thing about herself, she would let them know, “*I’m a nice person!*” Destiny dreams of a home where she and her family can spend time reading stories together and watching her favorite TV show, Hannah Montana.

Someday, Destiny says that she hopes that she will be able to adopt a child of her own when she grows up. She loves children, and hopes to be able to help other children who are in need. But for now, Destiny is happy just to be a kid, and looking forward to all of the adventures that growing up has to offer!

Hanging out with a star of a major musical production means much more than just fun but also a lot of swag from the show and now she is well equipped to be an honorary part of the cast. What Destiny is prepared for is to be a permanent part of a loving adoptive home.

If you have a heart for older children in foster care who need and deserve just as much love an attention as any child, we hope that the ultimate gift you will bring is a place in your heart and your family.

Happy Holidays from Destiny and when you call, tell them that the cast of High School Musical on Ice sent you.
