Meet Karla, a 14 year old with a creative flair. We met Karla at Fashion Week sponsored by Mercedes Benz in Los Angeles for a behind the scenes look with fashion designer, Samora. Karla arrived in a Mercedes with her own driver on the red carpet.

In addition to taking a behind the scenes look at what it takes to put on a world class fashion show, Karla got front row seats to see the flow of fashion in action.

Karla was born in 1995 and has many interests. Like most teenagers, she likes spending as much time as possible with her friends. They would go shopping, play board games, watch movies and have sleepovers. During her down time, she likes writing, singing, drawing, sewing and planting flowers. She is very creative with arts and crafts which is why she has an interest in taking a look at the world of design.

Karla aspires to attend college to become a nurse or perhaps a singer. She also said that she likes working with kids. With the loving support of a permanent family, there's no limit as to what this kid can accomplish.

Karla would like to have a family that will embrace her Latino heritage as well and help her preserve elements of her culture and language.
