Ever wanted to go to a hockey game to meet the Stanley Cup Champions? Our Champ did. Meet Wesley, an energetic and enthusiastic 14 year old born in 1994. Wesley got to meet some players from World Champions, the Anaheim Ducks.

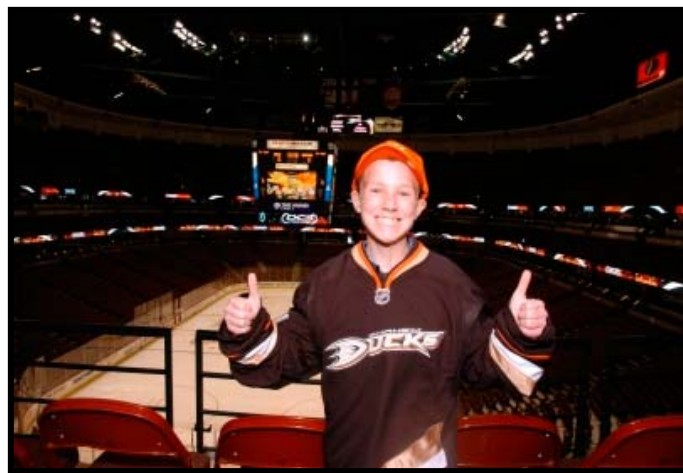

As if a meet and greet with players and dinner at their exclusive club wasn't enough, Wesley got his very own authentic game jersey, and autographs from the entire team. Wesley had never been to a hockey game before but before the night was over, Wesley was a new hockey fan and their biggest cheering section as he welcomed the crowd waving on the zamboni.

Wesley loves to tinker, from working on the computer and taking things apart to learn how they work, this young lad has aspirations to become an automobile mechanic. Wesley is very charming and has a great sense of humor. What about other interests? Wesley also loves baseball.

Wesley's faith is very important to him. He tells us that he is a Christian and practicing his religion is something special and personal for him. He attends churches of various denominations and is looking for a family that will help him fortify the importance of his Christian faith in his life.

What Wesley is most hopeful for is a chance to be a part of a permanent and loving family. If you have a heart for older children, please give us a call.
