Dear Prospective Contractors and Interested Parties:

AGENDA AND PROCEDURES FOR THE PUBLIC/STAKEHOLDERS' CONFERENCE

This is to provide you with a copy of the agenda and to inform you about the Department's procedures for conducting the Public/Stakeholders' Conference for the Family Preservation Services and Partnerships for Families categories under the Safe Children and Strong Families (SCSF) Request for Proposals (RFP) No. 11-053B.

The Public/Stakeholders' Conference is an informal public meeting where potential contractors and community stakeholders are invited to attend and share their opinions. The Department's role during this Conference is to listen and support the open discussion of SCSF services. Therefore, responses will not be provided during the Conference. The Department will provide a written response to comments on or about March 9, 2015. The written response will be posted on the Department's website at <http://lacdcfs.org/contracts/index.html>.

Public comments should be based on the Description of Program Services for the two programs within the Safe Children and Strong Families service delivery continuum. There will be another opportunity for potential contractors and community stakeholders to ask questions at the Proposers' Conference and the open Written Questions and Answers period which will be held shortly after the release of the RFP.

Please use the attached "Form to Submit Written Comments for Description of Program Services" to submit your written comments during the conference. You may also submit your written comments prior to and after the Public/Stakeholders' Conference via e-mail at DCFS_PSSFSCFS@dcfs.lacounty.gov no later than 5:00 p.m. on Friday, February 20, 2015 (no exceptions).

Please continue to monitor the Department's website or the COUNTY's home page at <http://www.lacounty.gov/business/doing-business-with-the-county> for information regarding the release of the Safe Children and Strong Families RFP No. 11-053B and related activities.

Thank you for your interest in doing business with the County of Los Angeles.
