- 24.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

- 25.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

## 28.0 NOTICE TO PROPOSERS REGARDING THE COUNTY LOBBYIST ORDINANCE

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Part F, Required Forms, Form 12, as part of their proposal.

### **31.0 COUNTY'S QUALITY ASSURANCE PLAN**

Such evaluation will include assessing Contractor's compliance with all terms in the Contract and performance standards identified in the Statement of Work. Contractor's deficiencies which the County determines are severe or continuing and that may jeopardize performance of the Contract will be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

### **32.0 RECYCLED BOND PAPER**

### **34.0 COUNTY POLICY ON DOING BUSINESS WITH SMALL BUSINESS**

34.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County's contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

34.2 The Local Small Business Enterprise Preference Program requires the Company to complete a certification process. This program and how to obtain certification are further explained in Section 36.0 of this RFP.

34.3 The Jury Service Program, provide exception to the Program if a company qualifies as a Small Business. Further explanations of the Program are provided in Section 35.0 – Jury Service Program of this RFP.

34.4 The County also has a Policy on Doing Business with Small Business that is stated in Part G, Appendix B.

## 35.0 JURY SERVICE PROGRAM

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Part H, Attachments, Attachment G, and the pertinent jury service provisions of Part D, Sample Contract, Part II, Standard Terms and Conditions, Section 14.0, Compliance with Jury Service, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 35.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
- 35.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than \$500,000, and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

35.3 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Part F, Required Forms, Form 16, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

### **36.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM**

36.1 The County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.2 of the Los Angeles County Code.

The Proposer shall notify the County of any pending acquisitions/mergers of their company. Failure of the Proposer to provide this information may eliminate its proposal from any further consideration.

## **39.0 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM**

- 39.1 In evaluating proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. - 39.2 Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until their certification has been affirmed by the applicable Department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Proposer that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.
- 39.3 To request the Transitional Job Opportunities Preference, Proposer must complete the Transitional Job Opportunities Preference Application in Part F, Required Forms, Form 26, and submit it along with all supporting documentation with their proposal.

## **40.0 PROPOSER'S CHARITABLE CONTRIBUTIONS COMPLIANCE**

Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read the Background and Resources: California Charities Regulations, in Part G, Supplemental Information and Transmittal Forms, Appendix E. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

40.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Part G, Required Forms, Form 25. A completed Form 25 is a required part of any agreement with the County.

40.3 In Part F, Required Forms, Form 25, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

- OR -

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

40.4 Prospective County contractors that do not complete Form 25 as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program, Part F, Required Forms, Form 27.

Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

#### **42.0 DISABLED VETERAN BUSINESS ENTERPRISE PREFERENCE PROGRAM (DVBE)**

42.2 Certified Disabled Veteran Business Enterprise vendors must request the preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification is affirmed.

42.3 In no case shall the Disabled Veteran Business Enterprise Preference Program price or scoring preference be combined with any other county preference program to exceed eight percent (8%) in response to any county solicitation.

42.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Disabled Veteran Business Enterprise.

42.5 To request the Disabled Veteran Business Enterprise Preference, Proposer must complete and submit the Request for Disabled Veteran Business Enterprise Consideration form in Part F, Required Forms, Form 34, with supporting documentation with their proposal.

## PART C – SELECTION PROCESS AND EVALUATION CRITERIA

### 54.0 SELECTION PROCESS

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate and select the successful proposal(s). The selection process will begin after the close of the RFP submission date on September 18, 2014. Please allow sufficient time to submit your proposals, including the time to locate parking, delivery of your proposal(s) to the correct location; and to obtain a receipt. **Proposals will not be accepted after 12:00 PM (PST), on September 18, 2014.**

54.1 The selection process will be conducted in four phases.

A. Phase One – Technical Review of Business Proposal and Cost Proposal: The first phase will involve a preliminary review of the Proposer's compliance with the minimum mandatory requirements, including Proposer's eligibility and Submission Guidelines. Phase One is a PASS OR FAIL determination of:

- Proposer's adherence to Proposer's minimum qualifications in Part A, Section 7.0, Minimum Mandatory Requirements;
- Proposal format instructions listed in Part B, Section 50.0, Preparation of the Proposal;
- Section 51.0, Business Proposal Format; and
- Section 52.0, Cost Proposal Format

54.1.A.1 Proposals received by September 18, 2014, at 12:00 PM, (PST), will be reviewed for responsiveness and responsibility of Phase One of the selection process. Proposals received after the deadline are non-responsive and will be returned to the Proposer.

54.1.A.2 Any Proposer who submits a proposal that is incomplete and/or has incomplete or missing forms will be disqualified and their proposal will be eliminated from any further consideration.

54.1.A.3 Proposals that fail to satisfy these requirements may be eliminated from the Proposal review.

54.1.A.4 The County will notify the Proposer of a rejection/disqualification that occurs during Phase One of the review process.

54.1.A.5 Proposals that pass Phase One of the selection process will then be evaluated by an Evaluation Committee in Phase Two.

54.1.A.6 The County reserves the right to waive minor variances.

- B. Phase Two – Business Proposal Review: The second phase is the evaluation and scored phase of the selection process of the Business Proposals. The Evaluation Committee(s) shall be determined by County. The Evaluation Committee(s) shall evaluate Proposals in accordance with the evaluation criteria outlined in this RFP. Each proposal will be read and evaluated by three separate reviewers.

54.1.B.1 A review of the Proposer’s Qualifications (Section B of the Business Proposal), Proposer’s Approach to Provide Required Services (Section C of the Business proposal), and Proposer’s Quality Assurance Plan (Section D of the proposal) shall be conducted.

- C. Phase Three – Cost Proposal Review: The third phase consists of a review of the proposed price and line-item narrative from the Cost Proposal.

- D. Phase Four – Deductions: The last phase of the selection process will be initiated if situation is applicable. Deductions for Contractor Alert Reporting Database (CARD), if applicable, will be applied in Phase Two per CARD.

54.1.D.1 Points will be deducted for the inability to contact proposer’s reference(s), and exceptions to the Terms and Conditions of the Sample Contract as described in Section 59.0 of this RFP. Each exception listed in Section E (Acceptance/Exceptions to Terms and Conditions) of your proposal shall be reviewed to determine its impact on the proposed Contract. Deduction shall be applied to each exception submitted.

54.2 The County may also, at its option, invite Proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The evaluation committee may utilize the services of appropriate experts to assist in this evaluation.

54.3 The scores of proposals completing all four phases shall be calculated and ranked in numerical sequence in descending order. Proposal(s) with the highest score (total points of Business and Cost Proposals minus any deductions from Phase Four) shall be tentatively awarded a contract.

- 54.4 After a prospective Contractor has been selected, the County and the prospective Contractor(s) will negotiate a Contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.
- 54.5 The recommendation to award a Contract will not bind the Board of Supervisors to award a Contract to the prospective Contractor.
- 54.6 The County retains the right to select a proposal other than the proposal receiving the highest number of points if County determines, in its sole discretion, another Proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

#### **55.0 ADHERENCE TO MINIMUM REQUIREMENTS (PASS/FAIL)**

County shall review the Proposer's Organization Questionnaire/Affidavit – Form 1 of Part F, Required Forms and determine if the Proposer meets the minimum requirements as outlined in Section 7.0 of this RFP.

Failure of the Proposer to comply with the minimum requirements may eliminate its proposal from any further consideration. The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

#### **56.0 DISQUALIFICATION REVIEW**

A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Proposer;
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

## **57.0 BUSINESS PROPOSAL EVALUATION AND CRITERIA (80% of Total Possible Points)**

Any reviews conducted during the evaluation of the proposal may result in a point reduction.

### **57.1 Proposer's Qualifications (20%) – Section B of Proposal**

1. Proposer will be evaluated on their experience and capacity as a corporation or other entity to perform the required services based on information provided in Section B.1 of the proposal.
2. Proposer will be evaluated on the verification of references provided in Section B.2 of the proposal. In addition to the references provided, a review will include the County's Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts. This review may result in point deductions up to 100% of the total points awarded in this evaluation category. Additionally, a review of terminated contracts will be conducted which may result in point deductions.
3. A review will be conducted to determine the significance of any litigation or judgments pending against the Proposer as provided in Section B.3 of the proposal, and in conjunction, the Proposer must complete Part F, Required Forms, Forms 8, 9 and 10.
4. An evaluation of the financial statements will be conducted to determine the financial capability of the proposer.

### **57.2 Proposer's Approach to Providing Required Services (46.7%) - Section C of Proposal**

The Proposer will be evaluated on its description of the methodology to be used to meet the County's requirements based on information provided in Section C of the proposal. Proposer must follow instructions within Part B, Proposal Submission Requirements and Proposer's Approach to provide required services as applicable to this program.

### **57.3 Quality Assurance Plan (13.3%) – Section D of Proposal**

The Proposer will be evaluated on its ability to establish and maintain a complete Quality Assurance Plan to ensure the requirements of this Contract are provided as specified. Evaluation of the Quality Assurance Plan shall cover the proposed monitoring system of all services listed on the Performance Requirements

Summary (PRS) based on the information provided in Section D of the proposal.

## **58.0 COST PROPOSAL EVALUATION CRITERIA (20% of Total Possible Points)**

Proposer shall submit a separate Cost Proposal for the services described herein, in the format described below, both as to sequent and as to content. Failure to comply with these provisions may, at the sole discretion of the Director of DCFS, result in disqualification of the proposal.

The Cost Proposal must contain sufficient detail and demonstrate that the proposed cost is realistically based on reasonable costs specific to the contract. Costs that are estimated or assumed must include a detailed explanation of the underlying basis of the estimates or assumptions. The Contract is limited to a cap of 10% on all Indirect Costs. The County reserves the right to engage in cost-effective endeavors to achieve potential savings.

The costs projection must be firm and fixed for CCACC services during the term of the Contract. There will be no cost-of-living adjustment during the term of the Contract. All Proposals will be evaluated based on proposal costs using the Proposer's estimated workload projections derived from the data as specified in Exhibit A-1. The maximum number of possible points will be awarded to the Cost Proposals that best describes the use of funds to deliver the required services as outlined in Part E, SOW, and a Budget Narrative that explains all projected cost in the Line Item Budget that includes the required 33 1/3 percent in-kind match.

The Cost Proposal shall include Proposer's detailed plan outlining exactly how the \$100,000 Maximum Contract Sum will be matched with the mandated 33 1/3% cash or in-kind match.

In addition, the Cost Proposal must include a detailed illustration of the required equal distribution of 30 percent (\$30,000) of the Maximum Annual Contract Sum to the Child Abuse Councils to fund their community special projects.

All Proposers' Cost Proposals will be evaluated separately from the Business Proposals.

Local SBE Preference: Eight percent (8%) of the lowest cost proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the Cost submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

Transitional Job Opportunities Preference: Eight percent (8%) of the lowest cost proposed will be calculated and that amount will be deducted from the Cost submitted by all Proposers who requested and were granted the Transitional Job Opportunities Preference.

Disabled Veteran Business Enterprise Preference: Eight percent (8%) of the lowest cost proposed will be calculated and that amount will be deducted from the Cost

submitted by all Proposers who requested and were granted the Disabled Veteran Business Enterprise Preference up to the maximum of \$50,000.

In no case shall any Preference be combined to exceed eight percent (8%) in response to any County solicitation.

## **59.0 EXCEPTIONS TO TERMS AND CONDITIONS OF SAMPLE CONTRACT AN/OR REQUIREMENTS OF THE STATEMENT OF WORK (Section E of Proposal)**

Proposer will be evaluated on their willingness to accept the Terms and Conditions outlined in the Part D, Sample Contract, and the Requirements of the Statement of Work outlined in the Part E, Exhibit A to Sample Contract (Statement of Work) as stated in Section E of the RFP. The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

Proposers are further notified that the County may, in its sole determination, disqualify any Proposer with whom the County cannot satisfactorily negotiate a Contract.

## **60.0 DEPARTMENT'S PROPOSED CONTRACTOR SELECTION REVIEW**

### **60.1 Departmental Debriefing Process**

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see sub-section 60.2 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

## 60.2 Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this sub-section may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Proposer;
2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);
3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
  - a. The Department materially failed to follow procedures specified in its solicitation document. This includes:
    - i. Failure to correctly apply the standards for reviewing the proposal format requirements.
    - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
    - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
  - b. The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.
  - c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
  - d. Another basis for review as provided by state or federal law; and
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a review by a County Independent Review (see Section 61.0 below).

## **61.0 COUNTY INDEPENDENT REVIEW PROCESS**

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a County Independent Review is a Proposer;
2. The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and
3. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department's written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Section 60.2 above.

Upon completion of the County Independent Review, ISD will forward the report to the Department, which will provide a copy to the Proposer.

## **62.0 NOTIFICATION OF AWARD**

- 62.1 All Proposers will be notified in writing of the final selection.
- 62.2 The winning Proposer shall be prepared to enter into a contract with the County, which shall be substantially the same as Part D, Sample Contract; Part E: Exhibit A to Sample Contract, Statement of Work; Part H: Exhibit B to Sample Contract (Attachments) as included in the RFP.
- 62.3 Notwithstanding the above, County reserves the right to change final terms and conditions, deemed to be in the best interest of the County, that do not affect the basis of the contract award.
- 62.4 The County will then recommend the contract award to the Board of Supervisors for its consideration and approval.

62.5 Any recommendation to award a contract shall in no manner bind the Board of Supervisors to award a contract to the proposer(s), which by law must exercise its judgment and discretion concerning the selection of proposals and the terms of any resultant contract.

### **63.0 FORMAL APPROVAL OF CONTRACT**

63.1 Notwithstanding a recommendation of a department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a Proposal(s) and the terms of any resultant contract, and to determine which Proposal(s) best serve(s) the interests of the County.

63.2 The Board of Supervisors is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract that has been recommended by the Department.

63.3 Acceptance or recommendation of a Proposal(s) does not constitute formation of a contract. A contract can be created only by formal approval by the Board of Supervisors and executed according to law.

### **64.0 SELECTION PROCESS DISCLAIMER**

64.1 County reserves the right to waive, at its sole discretion, any inconsequential disparity or disparities in a submitted proposal.

64.2 The failure of a Proposer to promptly supply information in connection with the selection process may be grounds for disqualification at the County's sole discretion.

64.3 A Proposer may be disqualified if on any previous contract(s) with the County it has either: 1) defaulted on performance; or 2) failed to effectively complete performance on schedule.

#### 4.1.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

35.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits or taxes for any personnel provided by or on behalf of the Contractor.

If the parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages shall be that which is specified in Exhibit A-1, Performance Requirements Summary (PRS) Chart, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or
  - (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.
- 36.3 The action noted in Sub-section 36.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.
- 36.4 This Sub-section shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Sub-section 36.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Opportunity Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by County that the Contractor has violated the anti-discrimination provisions of this Contract.

39.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in California Government Code Section 6250, et seq. (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The County shall not in any way be liable or responsible for the disclosure of any such

records including, without limitation, those so marked, if disclosure is required by law, or by an order of court of competent jurisdiction.

- 47.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid or proposal marked "trade secret," "confidential," or "proprietary," the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

#### **48.0 PUBLICITY**

- 48.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. 48.1.1 The Contractor shall develop all publicity material in a professional manner; and

48.1.2 During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

- 48.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this section shall apply.

#### **49.0 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT**

- 49.1 The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract.

- 49.2 The Contractor agrees that the County, or its authorized representatives, the State of California, or its authorized representatives, or the Federal Government, or its authorized representatives, including, but not limited to, the U. S. Comptroller General, shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity or records relating to this Contract. All financial records, supporting documents, statistical records, and all other records pertinent to the award and performance of this Contract, including, but not limited to, all timecards

If before the expiration of that time period, any litigation, claim, financial management review or audit is started, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken. If such material is located outside of Los Angeles County, then, at County's sole option, Contractor shall pay County for travel per diem and other costs incurred by County in exercising its rights under this Section. Contractor shall maintain all records in accordance with California State records and retention regulations including the provisions of California Department of Social Services Manual, Section 23-353.

Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 49.4 Failure on the part of the Contractor to comply with any of the provisions of this Section shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 49.5 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand; or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 49.6 The Contractor shall be responsible for conducting annual financial audits of its agency and its subcontractor(s) if required by County and/or the California Department of Social Services (CDSS), to be conducted by an independent audit firm and in accordance with generally accepted auditing

The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. The Contractor shall not subcontract out the requirements of this Contract in whole or in part.

## **54.0 TERMINATION FOR DEFAULT**

54.1.1 Contractor has materially breached this Contract;

54.1.2 Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract;  
or

54.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

54.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-section 54.1, the County may procure, upon such terms and in such manner, as County may deem appropriate, services similar to those so terminated. The Contractor shall be liable to the County for any and all excess cost incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Section.

54.3 Contractor shall not be liable for any such excess costs of the type identified in Sub-section 54.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

54.4 If, after the County has given notice of termination under the provisions of this Section, it is determined by the County that the Contractor was not in default under the provisions of this Section or that the default was excusable under the provisions of Sub-section 54.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Part II, Termination for Convenience.

54.5 In the event the County terminates this Contract in its entirety due to the Contractor's default as provided in Sub-section 54.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Sub-section 54.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five (5) percent of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of County, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

54.5.1 These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Part II, Indemnification.

54.6 The rights and remedies of the County provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

## **55.0 TERMINATION FOR CONVENIENCE**

55.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by Notice of Termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than 10 days after the notice is sent.

55.2 After receipt of a Notice of Termination and except as otherwise directed by the County, the Contractor shall:

55.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

55.2.2 Complete performances of such part of the work as shall not have been terminated by such notice.

55.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Part II, Record Retention and Inspection/Audit Settlement.

## **56.0 TERMINATION FOR IMPROPER CONSIDERATION**

- 56.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 56.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 56.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

- 57.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- 57.1.2 The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- 57.1.3 The appointment of a Receiver or Trustee for the Contractor; or
- 57.1.4 The execution by the Contractor of a general assignment for the benefit of creditors.
- 57.2 The rights and remedies of the County provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

**58.0 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

The Contractor and each County Lobbyist or County Lobbying firm, as defined in County Code Section 2.160.010, retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may, in its sole discretion, immediately terminate or suspend this Contract.

**59.0 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

# COMMUNITY CHILD ABUSE COUNCILS COORDINATION SERVICES

## STATEMENT OF WORK

### SECTION A

#### 1.0 PREAMBLE

The County of Los Angeles seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan Mission, Values, Goals and Performance Outcomes.

The County's vision is to improve the quality of life in the County by providing responsive, efficient and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the County's shared values of: 1) Accountability; 2) A Can-Do-Attitude; 3) Compassion; 4) Customer Orientation; 5) Integrity; 6) Leadership; 7) Professionalism; 8) Respect for Diversity; and 9) Responsiveness.

These shared values are encompassed in the County's Strategic Plan's three Goals: 1) Operational Effectiveness; 2) Fiscal Sustainability; and 3) Integrated Services Delivery. Improving the well-being of children and families requires coordination, collaboration and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting partners.

## SECTION B – PROJECT FOUNDATION

### 2.0 PURPOSE

The Department of Children and Family Services (DCFS) receives funding through its State funded Child Abuse Prevention Intervention Treatment (CAPIT) Program to contract with a Community Child Abuse Councils Coordinator (CCACC) through a contract agreement. The primary functions of a Community Child Abuse Councils Coordinator include public awareness training, educating those who are mandated to report child abuse so more children can be helped, and more perpetrators can be prevented from abusing other victims.

The duties of a CCACC in the County of Los Angeles is to organize and oversee twelve or more Child Abuse Councils, and ensure that they provide child abuse prevention intervention services in their respective communities. All services are to be geared towards the community's efforts to prevent and respond to child abuse, reduce the incidence of child abuse and neglect, and improve upon the safety and well-being of children and families countywide that are at risk for child abuse and neglect. The CCACC coordinates, plans, provides oversight, and facilitates joint service activities to meet the collective goals of each of the child abuse prevention councils (hereafter "Child Abuse Councils").

The services to be provided by the CCACC shall consist of the following:

- Provide a forum for interagency cooperation and coordination in the prevention, detection, and treatment, and legal processing of child abuse cases.
- Promote public awareness of the abuse and neglect of children and the resources available for intervention and treatment through: disseminating child abuse prevention materials during the annual Countywide Blue Ribbon Campaign; emailing pertinent information to the Child Abuse Councils and; coordinating the report card insert project.
- Encourage and facilitate training of educational, medical, social services and other community professionals in the detection, treatment, and prevention of child abuse and neglect to professionals working in the fields of child welfare, education, law enforcement, health and mental health as well as parents, community advocates and anyone concerned about the problems of child abuse and family violence.
- Recommend improvements in services to families and victims to the Child Abuse Councils and to the Inter-Agency Council on Child Abuse and Neglect (ICAN).
- Encourage and facilitate community support for child abuse and neglect programs through creation and distribution of educational materials, providing

organizational and funding support to Child Abuse Councils and through other activities.

- Management and disbursement of funds to all Child Abuse Councils.

***If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.***

**Part I: Jury Service Program is Not Applicable to My Business**

- My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

“**Dominant in its field of operation**” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

“**Affiliate or subsidiary of a business dominant in its field of operation**” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

**OR**

**Part II: Certification of Compliance**

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

### 3. CERTIFICATION REGARDING LOBBYING

Title 31, United States Code, Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a SPECIFIC grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (non- appropriated) funds. These requirements apply to grants and cooperative agreements EXCEEDING \$100,000 in total costs (45 CFR Part 93).

The undersigned (authorized official signing for the applicant organization) certifies, to the best of his or her knowledge and belief, that:

The applicant organization agrees that it will require that the language of this certification be included in any subawards which contain provisions for children’s services and that all subrecipients shall certify accordingly.

The Public Health Services strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

**COUNTY OF LOS ANGELES  
POLICY ON DOING BUSINESS WITH SMALL BUSINESS**

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

***WE RECOGNIZE. . . .***

***The importance of small business to the County. . .***

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

***The County can play a positive role in helping small business grow. . .***

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

***WE THEREFORE SHALL:***

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

**2.202.010 Findings and declarations**

A. The board of supervisors finds that, in order to promote integrity in the county's contracting processes and to protect the public interest, the county's policy shall be to conduct business only with responsible contractors. The board of supervisors further finds that debarment is to be imposed only in the public interest for the county's protection and not for the purpose of punishment.

B. Determinations of contractor non-responsibility and contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the auditor-controller. (Ord. 2005-0066 § 1, 2005; Ord. 2000-0011 § 1 (part), 2000)

**2.202.020 Definitions**

For purposes of this chapter, the following definitions apply:

A. "Contractor" means a person, partnership, corporation, or other entity who has contracted with, or is seeking to contract with, the county or a nonprofit corporation created by the county to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county. A contractor includes a contractor, subcontractor, vendor, or any person or entity who or which owns an interest of 10 percent or more in a contractor, subcontractor, or vendor.

B. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county.

C. "Debarment" means an action taken by the county which results in a contractor being prohibited from bidding or proposing on, being awarded and/or performing work on a contract with the county. A contractor who has been determined by the county to be subject to such a prohibition is "debarred."

D. "Department head" means either the head of a department responsible for administering a particular contract for the county or the designee of same.

E. "County" means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, and any joint powers authorities of which the county is a member that have adopted county contracting procedures.

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

F. "Contractor hearing board" means the persons designated to preside over contractor debarment hearings and make recommendations on debarment to the board of supervisors.

G. Determination of "non-responsibility" means an action taken by the county which results in a contractor who submitted a bid or proposal on a particular contract being prohibited from being awarded and/or performing work on that contract. A contractor who has been determined by the county to be subject to such a prohibition is "non-responsible" for purposes of that particular contract.

H. "Bid or proposal" means a bid, proposal, or any other response to a solicitation submitted by or on behalf of a contractor seeking an award of a contract. (Ord. 2005-0066 § 2, 2005: Ord. 2004-0009 § 1, 2004: Ord. 2000-0011 § 1 (part), 2000)

**2.202.030 Determination of contractor non-responsibility**

A. Prior to a contract being awarded by the county, the county may determine that a contractor submitting a bid or proposal is non-responsible for purposes of that contract. In the event that the county determines that a contractor is non-responsible for a particular contract, said contractor shall be prohibited from being awarded and/or performing work on that contract.

B. The county may declare a contractor to be non-responsible for purposes of a particular contract if the county, in its discretion, finds that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to find a contractor non-responsible for a particular contract is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection 2.202.040 (E) below, may be considered by the county in determining whether a contractor should be deemed non-responsible.

D. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed non-responsibility determination, and shall advise the contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The contractor and/or attorney or other authorized representative of the contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be found non-

AND CONTRACTOR DEBARMENT

responsible with respect to the contract(s) at issue. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the department head. A non-responsibility finding shall become final upon approval by the board of supervisors. (Ord. 2005-0066 § 3, 2005: Ord. 2004-0009 § 2, 2004: Ord. 2000-0011 § 1 (part), 2000)

### **2.202.040 Debarment of contractors**

A. The county may debar a contractor who has had a contract with the county in the preceding three years and/or a contractor who has submitted a bid or proposal for a new contract with the county.

B. The county may debar a contractor if the county finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to debar a contractor is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection (E) below, may be considered by the county in determining whether to debar a contractor and the period of debarment. Generally, the period of debarment should not exceed five years. However, if circumstances warrant, the county may impose a longer period of debarment up to and including permanent debarment.

D. To impose a debarment period of longer than five years, and up to and including permanent debarment, in addition to the grounds described in Subsection (B) above, the county shall further find that the contractor's acts or omissions are of such an extremely serious nature that removal of the contractor from future county contracting opportunities for the specified period is necessary to protect the county's interests.

E. Mitigating and aggravating factors that the county may consider in determining whether to debar a contractor and the period of debarment include but are not limited to:

- (1) The actual or potential harm or impact that results or may result from the wrongdoing.
- (2) The frequency and/or number of incidents and/or duration of the wrongdoing.
- (3) Whether there is a pattern or prior history of wrongdoing.
- (4) A contractor's overall performance record. For example, the county may evaluate the contractor's activity cited as the basis for the debarment in the broader context of the contractor's overall performance history.

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

- (5) Whether a contractor is or has been debarred, found non-responsible, or disqualified by another public entity on a basis of conduct similar to one or more of the grounds for debarment specified in this Section.
- (6) Whether a contractor's wrongdoing was intentional or inadvertent. For example, the county may consider whether and to what extent a contractor planned, initiated, or carried out the wrongdoing.
- (7) Whether a contractor has accepted responsibility for the wrongdoing and recognizes the seriousness of the misconduct that led to the grounds for debarment and/or has taken corrective action to cure the wrongdoing, such as establishing ethics training and implementing programs to prevent recurrence.
- (8) Whether and to what extent a contractor has paid or agreed to pay criminal, civil, and administrative liabilities for the improper activity, and to what extent, if any, has the contractor made or agreed to make restitution.
- (9) Whether a contractor has cooperated fully with the county during the investigation, and any court or administrative action. In determining the extent of cooperation, the county may consider when the cooperation began and whether the contractor disclosed all pertinent information known to the contractor.
- (10) Whether the wrongdoing was pervasive within a contractor's organization.
- (11) The positions held by the individuals involved in the wrongdoing.
- (12) Whether a contractor's principals participated in, knew of, or tolerated the offense.
- (13) Whether a contractor brought the activity cited as a basis for the debarment to the attention of the county in a timely manner.
- (14) Whether a contractor has fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the county.
- (15) Whether a contractor had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.
- (16) Whether a contractor has taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.
- (17) Other factors that are appropriate to the circumstances of a particular case.

F. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed debarment, and shall advise the contractor that a debarment hearing will be scheduled on a date certain. The contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.

G. In making a debarment determination, the board of supervisors may also, in its discretion and consistent with the terms of any existing contracts that the contractor may

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

have with the county, terminate any or all such existing contracts. In the event that any existing contract is terminated by the board of supervisors, the county shall maintain the right to pursue all other rights and remedies provided by the contract and/or applicable law.

H. With respect to a contractor who has been debarred for a period longer than five years, the contractor may, after the debarment has been in effect for at least five years, request that the county review the debarment determination to reduce the period of debarment or terminate the debarment. The county may consider a contractor's request to review a debarment determination based upon the following circumstances: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the county. A request for review shall be in writing, supported by documentary evidence, and submitted to the chair of the contractor hearing board. The chair of the contractor hearing board may either: 1) determine that the written request is insufficient on its face and deny the contractor's request for review; or (2) schedule the matter for consideration by the contractor hearing board which shall hold a hearing to consider the contractor's request for review, and, after the hearing, prepare a proposed decision and a recommendation to be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A reduction of the period of the debarment or termination of the debarment shall become final upon the approval of the board of supervisors. (Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000)

**2.202.050 Pre-emption**

In the event any contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control. (Ord. 2000-0011 § 1 (part), 2000)

**2.202.060 Severability**

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby. (Ord. 2000-0011 § 1 (part), 2000)

## BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

Page 1 of 2

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

### RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website; <http://ag.ca.gov/> contains much information helpful to regulated charitable organizations.

#### 1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) **AUDITOR–CONTROLLER CONTRACT ACCOUNTING  
AND ADMINISTRATION HANDBOOK**

*The following handbook is designed for inclusion in most contracts for services entered into by County departments. The purpose of the handbook is to establish accounting, internal control, financial reporting, and contract administration standards for organizations (contractors) who contract with the County.*

Revision: March 2012

**AUDITOR-CONTROLLER**  
CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (CONTRACTOR) which contract with Los Angeles County (COUNTY).

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR'S accounting and financial reporting system. The internal control standards described apply to organizations with adequate staffing. Organizations with insufficient staff to implement the internal controls as described herein must adopt alternative controls (e.g., use of appropriate alternative staff or Board Officers, etc.) to comply with the intent of the standards to ensure effective internal control systems are in place within the organization. The CONTRACTOR'S subcontractors must also follow these standards unless otherwise stated in the Agreement.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 Basis of Accounting

Unless otherwise specified by the funding source, CONTRACTORS may elect to use either the cash basis or accrual basis of accounting during the year for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

The COUNTY recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis for recording financial transactions, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

- Recorded accruals must be reversed in the subsequent accounting period.

1.1 If a CONTRACTOR elects to use the cash basis for recording financial transactions during the year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of each year of the contract and at the end of the contract.
- All computations, supporting records, and explanatory notes used in converting from the cash basis to the accrual basis must be retained.

1.2 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Agreement year to the extent goods and services are received, or are applicable to that Agreement year.

ACCOUNTING SYSTEM

2.0 Each CONTRACTOR shall maintain a **double entry accounting system** (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The COUNTY requires that a Payroll Register (see Section 2.6) also be maintained. Postings to the General Ledger and Journals shall be made at least on a monthly basis. The CONTRACTOR shall maintain a separate Cost Center(s), which clearly identifies funds received and expended on services provided under the attached Agreement.

2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

Example:	Debit	Credit
Rent Expense	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal shall be maintained for recording all cash receipts (e.g., COUNTY warrants, contributions, interest income, etc.). The Cash Receipts Journal shall contain (minimum requirements) the following column headings:

- Date
- Receipt Number
- Cash Debit Columns

- Income Credit Columns (for the following accounts):
  - COUNTY payments (one per funding source)
  - Contributions
  - Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
  - Description (entries in the description column must specify the source of cash receipts.)

### 2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- Date
- Check Number
- Cash (Credit) Column
- Expense Account Name
- Description

Note (1) Separate cost columns are required for salary expense and other recurring cost classifications for each program.

Note (2) Entries in the description column must specify the nature of the cost and the corresponding cost classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same cost classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed upon audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. See Sections A.3.2 and B.2.4 for additional guidance on expense documentation requirements.

### 2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for the expenses and revenues of each of the CONTRACTOR'S programs (both COUNTY and non-COUNTY programs).

## 2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- The COUNTY recommends that CONTRACTORS use the expense account titles on the monthly invoice submitted to the COUNTY.
- If the CONTRACTOR uses account titles which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- CONTRACTOR must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

## 2.6 Payroll Register

The COUNTY recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Social Security Number (at a minimum last four digits of the SSN)
- Salary (hourly wage)
- Payment Record including:
  - Accrual Period
  - Gross Pay
  - Itemized Payroll Deductions
  - Net Pay Amount
  - Check Number

If a Payroll Register is not used, the information discussed above must be recorded in the cash disbursements journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (e.g., FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (e.g., 941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

CONTRACTOR will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent contractors.

## 2.7 CONTRACTOR Invoices

Each CONTRACTOR shall present an invoice to the COUNTY each calendar month to report the program(s) financial activity for the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the

contract period. An invoice/billing submission shall be provided to the COUNTY as required in the applicable COUNTY contract.

### 3.0 Records

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR'S accounting records or supporting documentation shall be immediately reported to the COUNTY. CONTRACTOR shall report to the local law enforcement agency having jurisdiction any act, or acts, which may reasonably be thought to constitute a crime and which appear to have resulted in the destruction, damage or alteration of any record subject to the provisions of this Handbook. CONTRACTOR shall make their report to the local law enforcement agency not more than twenty-four hours after becoming aware of the acts which have resulted in the destruction, damage, or alteration of the record.

A copy of the resulting crime/incident report must be retained by the agency for a period of time under which the underlying records were destroyed, or damaged were required to be retained plus an additional four years, and shall be retained for a longer period in the case of unresolved litigation, or audit.

To the extent automated accounting records contain confidential information including but not limited to the names and addresses of individuals, Social Security Numbers, etc. The computer files containing this information must be adequately encrypted using the most current encryption standards to prevent unauthorized access and use.

### 3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR'S Agreement, unless a longer retention period is prescribed by the Agreement, or by applicable laws and regulations, in which case the CONTRACTOR shall comply with the longer retention period and all other retention requirements set forth in the Agreement or the applicable laws and regulations.

### 3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts, canceled checks and other documentation, including electronic documentation clearly establishing the nature of the expenditure and its relevance to the COUNTY program being contracted for shall be required to support an outlay of funds. Unsupported disbursements will be disallowed upon audit. CONTRACTOR will be required to repay COUNTY for all dollar for dollar disallowed costs. *Photocopies (including scanned images) of invoices or receipts,*

*any internally generated documents (e.g., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases. To the extent the source for electronic documentation is an original hardcopy document (e.g., PDF scans of original vendor invoices) CONTRACTOR shall retain the original source document for inspection by COUNTY. County at its sole discretion may accept photocopies of supporting documentation in preference to the original documents.*

Supporting documentation is required for various types of expenditures. CONTRACTORS shall provide acceptable supporting documentation for all expenditures, and, with regard to the following categories of expenditures, acceptable supporting documentation shall consist solely of the documentation listed for each expenditure type. Another form of documentation may be used, in lieu of the listed types of acceptable supporting documentation, provided the CONTRACTOR obtains the prior written approval of the COUNTY to use a specific type of alternative documentation.

Payroll – timecards and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms. Personnel records shall also be maintained documenting employee pay rates. Personnel records shall also contain documentation confirming that educational and practical experience requirements of an employee's position have been met. Where licensure is a requirement of an employee's position, CONTRACTOR'S personnel file shall contain proof that employees have the required licenses/certifications.

Consultant Services – contracts detailing the nature and scope of services to be provided, time and attendance records (where applicable, as determined by COUNTY), billing rates, travel vouchers detailing purpose, time and location of travel, purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided. CONTRACTOR shall also maintain copies of all completed federal form 1099s, establishing that all payments to all consultants were reported in a timely fashion to federal and State taxing agencies.

Travel – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and beginning and ending odometer readings and the resulting mileage. Vehicle mileage logs must clearly identify business versus non-business, or personal travel. For travel related to conferences, CONTRACTOR shall at a minimum retain conference literature, including but not necessarily limited to agendas and handouts detailing the purpose of the conference, as part of the CONTRACTOR'S documentation of the propriety of the travel expenditure. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts, or per diem rates for meal expenses, shall not exceed the maximum COUNTY'S reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel. Maximum reimbursable lodging amount is the COUNTY'S maximum reimbursement rate for employees for a single occupancy hotel accommodation. Receipts shall also be required for airfare, car rentals, ground transportation and parking.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, the CONTRACTOR shall maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc. The contractor shall also maintain documentation acknowledging the receipt of the specific goods and services for the expenditure (e.g., stock received reports, packing slip signed by the receiving employee, etc.). For internal control purposes, the CONTRACTOR may also maintain vouchers, purchase orders, requisitions, etc.

Vehicle Expenses - A vehicle mileage log must be maintained which establishes the extent to which company owned vehicles are used for business, versus non-business purposes. For all business related trips, the log shall identify trip dates, the origin and destination of the trip along with beginning and ending odometer readings and the resulting mileage. For other vehicle expenses such as gasoline and maintenance, invoices/receipts must be maintained which reflect the vehicle license number, or vehicle identification number of the vehicle being serviced or fueled. The record maintenance requirements for company owned vehicles also applies to personal vehicles used for business purposes.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and business purpose of each meal, and identification of the participants.

Loans from Employees/Related Parties – Loans to the CONTRACTOR by employees and/or related parties shall be supported by a written loan agreement and records documenting that the lent funds were deposited into a CONTRACTOR bank account. CONTRACTOR shall also maintain documentation showing that the loan proceeds were actually used for County programs. To the extent that the loan agreement provides for the payment of interest, the interest may not be an allowable expense under the Agreement. If the payment of interest is allowable, interest shall not be accrued at a rate which exceeds the most current available County Treasury Rate plus one percent.

### 3.3 Payments to Affiliated Organizations or Persons

Prior to making payments to affiliated organizations or persons (i.e., related party transactions), CONTRACTOR shall complete a disclosure statement identifying the nature of the affiliated, or related organization/persons.

CONTRACTOR shall not make payments to affiliated organizations or persons for program expenses (e.g., salaries, services, rent, etc.) that exceed the lesser of actual cost or the reasonable cost for such expenses. A reasonable cost shall be

the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through a legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. COUNTY shall be solely responsible for determining affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed upon audit to the extent the payments exceed the lower of actual costs or the reasonable costs (fair market value) for such items.

### 3.4 Filing

All relevant supporting documentation for reported program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – Numerically
- Invoices – Vendor name and date
- Vouchers – Numerically
- Receipts – Chronologically
- Timecards – Pay period and alphabetically

### 3.5 Referencing

Accounting transactions posted to the CONTRACTOR'S books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on the CONTRACTOR'S books be cross-referenced to the supporting documentation as follows:

- Invoices – Vendor name and date
- Checks – Number
- Vouchers – Number
- Revenue – Receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

## 4.0 Donations and Other Sources of Revenue

Restricted donations and other sources of revenue, earmarked specifically for the

Contract, must be utilized on allowable contract expenditures. Similarly, income from investments (e.g., interest or dividends), where the source of the amount invested is COUNTY program funds, shall be deemed restricted revenue that must be utilized on allowable expenditures, or returned to the COUNTY as specified under the attached Agreement.

#### 5.0 Audits

For routine audits and inspections, CONTRACTOR will make available to COUNTY representatives, upon request, during working hours, during the duration of the contract and for a period of five years thereafter (unless a longer period is specified under the Agreement, or by applicable laws and regulations), all of its books and records, including but not limited to those which relate to its operation of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the COUNTY. All such books and records shall be made available at a location within Los Angeles County.

In general, audits will normally be performed during normal business hours, Monday through Friday. However, COUNTY retains the right to inspect and conduct investigations of CONTRACTOR'S program/fiscal operations and contract compliance at any time, without prior notice to CONTRACTOR seven days a week, when the COUNTY has information which it, in its sole discretion, deems justifies such an unannounced visit, inspection, audit or investigations.

#### 6.0 Single Audit Requirements

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the Circular.

A copy of any Single Audit report shall be filed with the COUNTY within the timeframes prescribed by the Circular 133, or under the attached Agreement.

#### 7.0 Subcontracts

CONTRACTOR shall not subcontract services without the prior written consent of the COUNTY.

CONTRACTOR shall provide COUNTY with copies of all executed subcontracts and shall be responsible for the performance of their subcontractors. At the sole discretion of COUNTY, CONTRACTOR may submit an electronic copy of executed subcontracts in preference to a hardcopy.

### B. INTERNAL CONTROLS

Internal controls safeguard the CONTRACTOR'S assets from misappropriations,

misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel's use. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

## 1.0 Cash Receipts

### 1.1. Separate Fund or Cost Center

All contract revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

### 1.2 Deposits

When collections are received by mail, two employees should be assigned to open the mail and list all collections received on a check remittance log.

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts and the receipts/check remittance log shall be reconciled to the amount being deposited.

Voided receipts shall be retained and the sequence of receipts issued/voided shall be periodically accounted for.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first. If CONTRACTOR can establish that a larger limit is warranted, CONTRACTOR may request authorization from COUNTY to increase the limit to an amount greater than \$500.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal and individual receipts, if applicable. A recommended best practice is to retain photocopies of the COUNTY warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

### 1.3 Separation of Duties

An employee who does not handle cash shall record all cash or check receipts in the CONTRACTOR'S accounting records.

### 1.4 Bank Reconciliations

Bank statements shall be received and reconciled by someone with no cash

handling, or check writing responsibilities.

Monthly bank reconciliations should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations should be signed and dated by both the preparer and the reviewer. Reconciling items should be resolved timely.

## 2.0 Disbursements

### 2.1 General

All disbursements (other than those made for petty cash purchases), shall be made using an Agency check, electronic funds transfer, or debit/credit card.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Similarly, electronic debits to "cash" shall not be made. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature is recommended on all checks over \$500, unless otherwise specified in the contract. In instances where the payee is also a signor on the check, the disbursement shall be reviewed and approved by a higher level employee, or Board member who shall also sign the check.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in the contract.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent duplicate payments or reuse.

Disbursements without adequate supporting documentation will be disallowed upon audit.

### 2.2. Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

## 2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due, small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the COUNTY to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, fees, etc., then some written documentation shall be maintained and approved by a supervisory employee not associated with the transaction. ***Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices (i.e., payment by check).***

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

## 2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit card used on behalf of the CONTRACTOR, should be limited to purchases where established purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR'S name must be adequately safeguarded and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased, the employee making the purchase, and the justification for the purchase. ***Credit card statements are not sufficient support for credit card purchases.***

## 3.0 Timekeeping

### 3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of the CONTRACTOR'S programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed upon audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time. To the extent CONTRACTOR utilizes electronic timecards and time reports, CONTRACTOR must ensure that both the employee and supervisor certify time reported using electronic signatures. Where electronic timecards and time reports are used, CONTRACTOR'S reporting system must be able to electronically record the date/time the timecard was prepared/reviewed. CONTRACTOR'S electronic time reporting system must also have sufficient controls to prevent unauthorized alteration/changes to electronic time records and reports.

### 3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals. Any automated personnel and payroll records which contain confidential information such as employee addresses, medical condition information, etc. should be adequately encrypted to prevent unauthorized access and use using the latest encryption standards.

Personnel and payroll records shall include, but are not limited to, the following:

- Employee's authorized salary rate
- Employee information sheet (e.g., employee contact information, emergency contact information, etc.)
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license(s), etc.)
- Performance evaluations
- Criminal record clearance (if required)
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)
- Health Clearances (if required)

#### Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

### 3.3 Limitations on Positions and Salaries

The CONTRACTOR shall not pay any salaries higher than those authorized in the contract, or the attachments thereto, except as permitted by State or federal law.

If an employee serves in the same, or dual capacities under more than one agreement or program, time charged to the contracts or programs taken as a whole may not exceed 100% of the employee's actual time worked.

Salaried employees shall be paid a salary that corresponds with the employee's

work schedule. For example, a ½-time salaried employee performing the same, or similar work should be paid proportionately less than a full-time salaried employee.

The salary expense of salaried employees working on more than one agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR shall not make retroactive salary adjustments for any employee without written approval from the COUNTY.

#### Separation of Duties

- Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll transactions, or reconciling bank accounts.
- All employee hires and terminations, or pay rate changes, shall be approved in writing, or through the use of electronic approvals where applicable, by authorized persons independent of payroll responsibilities.

#### 4.0 Capital Assets

Capital assets are tangible assets of significant value having a useful life that extends beyond the current year and are broadly classified as land, buildings and improvements, and equipment.

Land can not be depreciated. All other capital assets with an acquisition cost of \$5,000 or more shall be capitalized.

Acquisition cost means the net invoice unit price of an item, including shipping costs and sales taxes, the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

#### 4.1 Acquisition

As specified in the contract, CONTRACTOR shall submit a purchase versus lease analysis to COUNTY and obtain written authorization before making any capital asset purchase where the acquisition cost is \$25,000 or more, and all, or a portion of the cost of the capital asset will be charged to the COUNTY'S contract.

#### Non-Capital Asset Equipment

Non-capital asset equipment is defined as equipment with a unit cost less than \$5,000, a useful life over one year, and can generally be easily carried or moved; especially by hand (e.g., personal computers, related peripherals, typewriters, fax machines and other portable assets).

Capital asset purchases shall be approved by the CONTRACTOR'S Board of Directors or their authorized representative.

Capital assets shall not be ordered, or purchased during the last three months of the term of the CONTRACTOR'S Agreement with the COUNTY, unless the acquisition is pre-approved by the COUNTY.

#### 4.2 Asset Identification and Inventory

All fixed assets including capital and non-capital asset equipment, purchased with Contract funds are to be used solely for the benefit of the Contract and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and source(s) of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

#### 4.3 Depreciation and Use Allowance

Unless otherwise approved by the COUNTY, compensation for the use of buildings and other capital improvements may be made through depreciation, or a use allowance:

- The computation of depreciation/use allowance is based on the acquisition cost of the asset(s).
- The computation should exclude the cost of land, buildings, and equipment donated by federal, State or COUNTY governments and the cost of buildings and land contributed by the CONTRACTOR to satisfy funding matching requirements.
- For depreciation, an appropriate useful life must be established for the asset(s) which considers factors such as the nature of the asset used, susceptibility to technological obsolescence, etc.
- Appendix B to IRS Publication 946, "How to Depreciate Property", contains guidelines for establishing an asset's useful life.
- A use allowance is computed as an annual rate that may not exceed an annual rate of two-percent of the acquisition cost if the asset is a building or improvement. A use allowance in excess of the ceiling percentage must be justified by the CONTRACTOR.

#### 4.4 Rental Costs of Buildings and Equipment

- Allowable to the extent that the rates are reasonable considering rental costs of comparable property, market conditions in the area, condition of the property being leased, etc.
- Under a “sale and leaseback” arrangement, rental costs would be allowable up to the amount that would be allowed if the CONTRACTOR had continued to own the property.
- Under a “less than arms length” lease, costs are only allowable up to the amount that would be allowable had title to the property vested in the CONTRACTOR.

#### 4.5 Security

Physical security should be adequately maintained over fixed assets to prevent misuse or theft of COUNTY property.

#### 4.6 Property Management

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all fixed assets purchased, leased, or rented with Contract funds.

The CONTRACTOR shall report promptly, in writing, to the COUNTY all cases of theft, loss, damage, or destruction of fixed assets purchased with COUNTY funds. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and, where appropriate, a copy of the law enforcement report. In cases where the loss resulted from suspected criminal activity (e.g., theft, vandalism, arson, etc.) the incident must be reported to the local law enforcement agency with jurisdiction over the location of the suspected crime. A copy of the resulting crime/incident report must be retained by the agency for a period of time under which the underlying records were destroyed, or damaged were required to be retained plus an additional four years, and shall be retained for a longer period in the case of unresolved litigation, or audit.

CONTRACTOR shall dispose of or return to the COUNTY all fixed assets in accordance with the Contract.

5.0 Bonding – All officers, employees, and contractors who handle cash or have access to the CONTRACTOR'S funds (e.g., prepare checks, etc.) shall be bonded.

6.0 Investments – COUNTY program funds shall not be utilized for investments where there is a risk of loss.

### C. COST PRINCIPLES

#### 1.0 Policy

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR

to provide the services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR shall comply with the Agreement and applicable OMB Circular(s). The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the COUNTY prior to incurring the cost.

1.2 Expenses Incurred Outside the Agreement Period

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination, or expiration date. Similarly, current period expenses related to events or activities that occurred prior to the effective date of the Agreement may not be allowable. For example, legal costs incurred prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Agreement between CONTRACTOR and COUNTY are not allowable.

1.3 Budget Limitation

Expenses may not exceed the maximum limits shown on the contract budget.

1.4 Unspent Funds

The COUNTY will determine the disposition of unspent program funds upon termination of the Agreement.

1.5 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 Allocable Expenses

For CONTRACTORS that operate programs or provide services in addition to the services required under contract, the CONTRACTOR shall allocate expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular(s), agencies shall define their allocable expenses as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation for allocated expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated expenses be charged to an extent greater than 100% of actual expenses or the same expense be charged both directly and indirectly.

## 2.1 Direct Costs

Unless otherwise set forth in this contract, or required by the funding source(s), direct costs are defined as those costs that can be identified specifically with a particular final cost objective (e.g., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on the employees' timecards and the payroll expenses should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other relevant and equitable methods of allocation

## 2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint purposes and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as significant one-time expenses, or subcontractor payments)

### 2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars (i.e., A-87 and A-122) describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

#### Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

#### Example

Agency-wide indirect costs	\$250,000
Less: Capital Expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total Agency-wide direct salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

#### Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rentals, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses, are then allocated using the simplified allocation method previously discussed.

#### Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to

permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

#### 2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by COUNTY.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by COUNTY. The Cost Allocation Plan shall be prepared in accordance with COUNTY instructions and the applicable OMB Circular and include the following information:

1. CONTRACTOR general accounting policies:
  - Basis of accounting
  - Fiscal year
  - Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)
  - indirect cost rate allocation base
2. Identify the CONTRACTOR'S direct and indirect costs (by category) and describe the cost allocation methodology for each category.
3. Signature of CONTRACTOR management certifying the accuracy of the plan.

#### Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

#### D. UNALLOWABLE COSTS

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs will not be allowable under any circumstances:

- Bad debts
- Contingency provisions

- Contributions and donations
- Fines and penalties (e.g., Including but not limited to NSF Check Fees, Traffic Citation Fees)
- Fundraising activities
- Interest expense (unless expressly allowed by federal guidelines)
- Losses on other awards

## E. OVERPAYMENTS

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the COUNTY which were used as a basis for payments to the CONTRACTOR were inaccurate, COUNTY shall determine the total overpayment and require the CONTRACTOR to repay COUNTY. The COUNTY may withhold payments from CONTRACTOR'S future payments for any amounts not returned to the COUNTY or credited to the Contract unless otherwise prohibited by State or federal regulations.

## F. GOVERNANCE

### OVERVIEW

Large numbers of nonprofit corporations, organized for public benefit, receive public funds through contracts with Los Angeles County. Many County service contracts support key public initiatives, including protecting children, providing health care and foster employment, and reducing the effects of mental impairments and substance abuse.

Nonprofit organizations doing business with Los Angeles County must conduct their work in a manner consistent with their charitable mission and the public purposes embodied in County contracts. This demands that nonprofit agency governing boards be conscious of their fiduciary responsibilities in providing oversight and making decisions.

Directors, officers, and employees of nonprofit corporations with which Los Angeles County contracts shall not:

- permit or benefit from self-dealing transactions (unless permitted by law), or unreasonable compensation
- misuse or dissipate scarce public resources

### 1.0 Independence

It is recommend that Nonprofit agencies doing business with the County of Los Angeles have a governing board of at least 5 directors (however, under no circumstances shall a governing board have less than 3 directors), a majority of whom (1) have not been employed by it within 5 years before their election, (2) have no direct or indirect material financial interest in the organization, or any other relationship that could create a conflict of interest on the part of the

director(s). A financial interest may exist for reasons of business, investment, or family relationship (including a director's brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law).

"Financial interest" means an actual or potential ownership, investment, or compensation arrangement in or with any entity or individual with which the organization has, or is negotiating, a transaction or arrangement. The term "independent", when used to describe Directors who serve on the oversight committees described in paragraph 3.0 refers to persons meeting the requirements of this paragraph.

## 2.0 Oversight Mechanisms

An organization's governing board shall provide for its governance in accordance with the following:

- Adopt and disclose the organization's governance standards including director qualifications, responsibilities, and compensation.
- Adopt and disclose a code of business conduct and ethics for directors, officers, and employees, and promptly disclose to the County any waivers of the code affecting organization directors, ~~or~~ officers, or employees.
- Be familiar with the terms and conditions of all the Organization's County contracts. No less than annually, the board should review the Organization's compliance with contract provisions, particularly including insurance, internal control, federal and State reporting and payment requirements for payroll withholding, and report deviations to the County oversight department.

An organization's governance guidelines and code of ethics shall provide means to annually distribute to and obtain from directors, officers and employees written acknowledgments of their adherence to the organization's governing standards. They must incorporate a mechanism for disclosing and addressing possible conflicts of interest. They must provide for appropriate record-keeping, particularly of transactions and arrangements required to be reviewed by the governing board and where significant organization resources are expended by or for officers, directors and employees.

An organization's governance guidelines and code of ethics shall provide for "just and reasonable" compensation and benefits consistent with the compensation amount or guidelines established in the Organization's contract(s) with the County. Compensation and benefits should be determined in light of that paid to executives of agencies of comparable size and function (See Section B.3.3, "Limitations on Positions and Salaries"). No employee may receive compensation or benefits for more than one Organization job. For example, the CEO cannot receive compensation or benefits for the job of CEO and another job such as program manager, etc.

### 3.0 Oversight Committees

An organization's governing board shall establish committees having the following characteristics, compensation, and duties.

#### **Nominating Committee**

The Board shall establish a nominating committee composed entirely of independent directors to consider new appointments to the Board.

#### **Compensation and Benefits Committee**

The Board shall establish a compensation and employee benefits committee composed entirely of independent directors to recommend to the Board of Directors compensation and benefits for the Organization Chief Executive Officer (CEO), or President and the Chief Financial Officer (CFO), or Treasurer.

#### **Audit Committee**

The Board shall establish an Audit Committee of no fewer than three directors, all of whom must be independent, and one of whom shall have financial experience. In no event shall employees, including, but not limited to the president, chief executive officer, the treasurer, or chief financial officer serve on the Audit Committee.

#### **Annual Audit Duties:**

- If the Organization expends in excess of \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in a year in federal awards, the Audit Committee will recommend an independent auditor to perform the annual single audit (under the provisions of OMB Circular A-133, Audits for States, Local Governments and Non-Profit Organizations) of the Organization's financial records to the Agency's Board of Directors. The audit shall be performed in accordance with Generally Accepted Government Auditing Standards and comply with the Single Audit Act.
- The Audit Committee must negotiate the independent auditor's compensation on behalf of the governing Board, oversee its work, and resolve disagreements between management and auditors regarding financial reporting.
- The Audit Committee must confer with the auditor to review the audit and decide whether to accept it, satisfy itself that the financial affairs of the nonprofit organization are in order, and ensure that the County receives a copy of the annual audit report and all other audits, reviews, and other third party reports.

#### **Additional Audit Committee Duties**

The Audit Committee must:

- Establish procedures for receiving and addressing complaints regarding accounting, internal controls, and auditing matters.
- Monitor and take steps to ensure proper management response to major performance or fiscal deficits, such as the expressed concerns or claims of major creditors.

- Pre-approve all audit and non-audit services provided by the auditor. Non-audit services are defined as any professional services provided other than those provided in connection with an audit or review of the financial statements of the Organization. Following is a list of non-audit services for which the independent auditor cannot perform unless the firm follows the independence standard in the Yellow Book issued by the U.S. Comptroller General:
  - ✓ Bookkeeping or other services related to the accounting records, or financial statement of the audit client;
  - ✓ Financial information systems design and implementation;
  - ✓ Internal audit outsourcing services;
  - ✓ Management functions or human resources;
  - ✓ Investment adviser, or investment banking services;
  - ✓ Legal services and expert services unrelated to the audit.

## G. MISCELLANEOUS REQUIREMENTS

### 1.0 Insurance

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify COUNTY when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

### 2.0 Activity

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

### 3.0 Reporting Fraud/Misconduct

CONTRACTORS are expected and required to report suspected fraud, waste, or misuse of public monies, and misconduct of County personnel to the Los Angeles County Fraud Hotline (Hotline). CONTRACTORS are also expected and required to report suspected fraud committed by their employees and subcontractors when that fraud affects their contract with the COUNTY. Reportable conditions include, but are not limited to:

- Requests for bribes/kickbacks/gratuities by County personnel.
- Favoritism/nepotism in the awarding of County contracts, or selection of vendors.
- Theft or misuse of any funds, resources or equipment.

Reportable conditions shall be reported to the Hotline upon their discovery by

CONTRACTOR. Failure to report the types of fraud/misconduct discussed above may be grounds for contract termination.

The reporting party may remain anonymous. Reports can be made via telephone, mail or by internet to:

**Notice 1015**

(Rev. December 2011)

**Have You Told Your Employees About the  
Earned Income Credit (EIC)?**

---

**What Is the EIC?**

The EIC is a refundable tax credit for certain workers.

**Which Employees Must I Notify About the EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2011 are less than \$49,078 that he or she may be eligible for the EIC.

**How and When Must I Notify My Employees?**

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2012.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

**How Will My Employees Know If They Can  
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

**How Do My Employees Claim the EIC?**

Eligible employees claim the EIC on their 2011 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2011 and owes no tax but is eligible for a credit of \$829, he or she must file a 2011 tax return to get the \$829 refund.

**Can My Employees Get Advance EIC Payments?**

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their tax return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

**Part I - Application for Exception From the Program**

I request an exception from the Program for the following reason(s) (check the appropriate box(es) and attach documentation that supports your claim):

- My business does not meet the definition of “contractor,” as defined in the Program,” because my business has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). **“Contractor Employee Jury Service”**

**Los Angeles County Code Sections 2.203.010 through 2.203.090**

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.
- C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county.
- D. “Full time” means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer.
- E. “County” means the County of Los Angeles or any public entities for which the Board of Supervisors is the governing body. (Ord. 2002-0015§ 1 (part), 2002).

**2.203.030 Applicability.**

This chapter shall apply to contractors who enter into contracts that commence two or more months after the effective date of this chapter. This chapter shall also apply to contractors with existing contracts, which are extended into option years that commence two or more months after the effective date of this chapter. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.040 Contractor Jury Service Policy.**

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees’ regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.050 Other Provisions.**

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

*Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.*

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

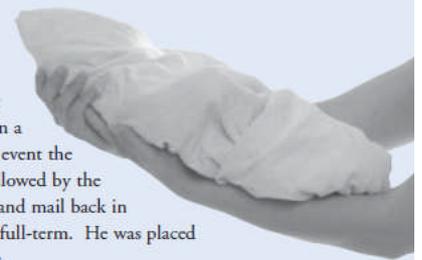

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
