Dear Prospective Contractors and Interested Parties:

AGENDA AND PROCEDURES FOR THE PUBLIC COMMENTS CONFERENCE

This is to provide you with a copy of the agenda and to inform you about the Department's procedures for conducting the Public Comments Conference for the re-release of the Request for Proposals (RFP) for the Safe Children and Strong Families (RFP #11-053A).

The Public Comments Conference is an informal public meeting where potential contractors and community stakeholders are invited to attend and voice their opinions. The Department's role during this Conference is to listen and support the open discussion of SCSF services. Therefore, responses will not be provided during the Conference. The Department will provide a written response to comments on or about November 28, 2012. The written response will be posted on the Department's website at <http://lacdcs.org/contracts/index.html>.

Public comments should be based on the Statements of Work and Sample Contracts for the five programs within the Safe Children and Strong Families service delivery continuum. Please note that comments relating to the solicitation process, funding, number of contracts to be awarded, or anything other than direct program services should not be submitted during the public comments period and will not be addressed by the Department. Potential contractors and community stakeholders will have an opportunity to ask these and other questions during the Proposer's Conference and the open Written Questions and Answers period which will be held early next year, after the re-release of the RFP.

You may submit your written comments prior to and after the Public Comments Conference via e-mail at DCFS_PSSFSCFS@dcs.lacounty.gov. You will also be able to submit written comments during the Conference. Please use the attached "Form to Submit Written Comments for Statements of Work" to submit your written comments during the conference. If you would like a Word version of this form, please forward your request via e-mail to: DCFS_PSSFSCFS@dcs.lacounty.gov.

Please continue to monitor the Department's website or the COUNTY's home page at http://lacounty.info/doing_business/main_db.htm for information regarding the re-release of the Safe Children and Strong Families RFP and related activities.

Thank you for your interest in doing business with the County of Los Angeles.
