

Useful Tips

Searching for School Information

NPS (Non Public School) = Private

Charter Schools are Public.

To locate a school's Information and/ or District check:

- Greatschools.net
- Google the school by name
- Check our website on LA Kids – Youth Education Support and choose Directories:
 - LAUSD List of School Districts (Can also search all LAUSD Schools)
 - Los Angeles County Office of Education
 - California State Department of Education
 - United States Department of Education

DOE (Department of Education) = “Y” in the DOE column means that the school information was entered by the Department of Education. This information is the most accurate.

5	WASHINGTON PREP SCHOOL			10860 SOUTH DENKER AVENUE	LOS ANGELES	90045	(323)757-9281

- Remember to choose the school that has DOE.

Remember that there maybe multiple schools with the same name such as Washington and just choosing the DOE does not mean it is the correct school.

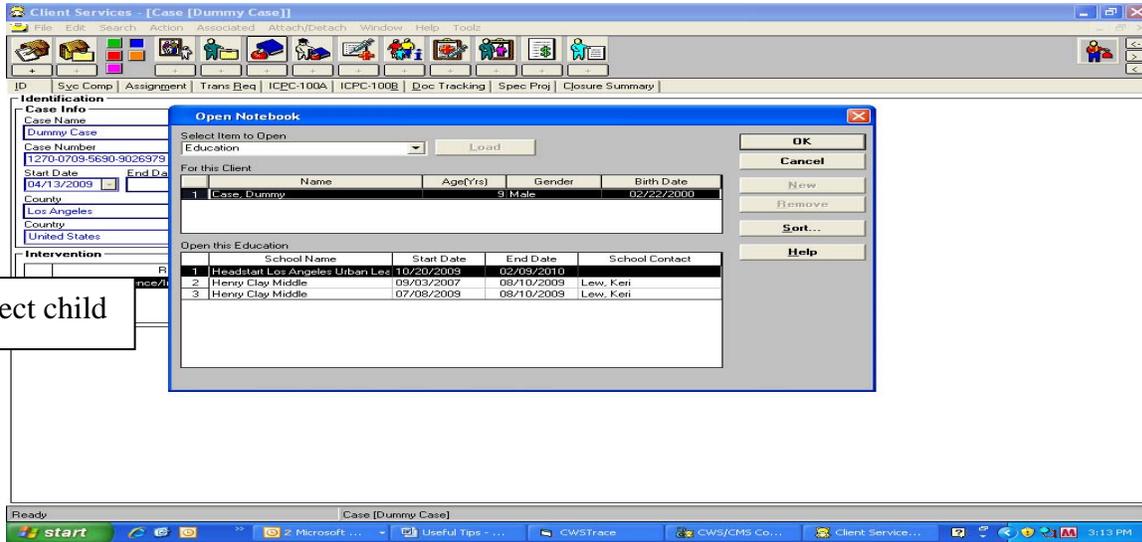

How do you know which school is correct?

1. Check with the Social Worker
2. Verify school district*
3. Double check the address
4. Call school to verify information

Health and Education Notebook

When entering records into the Health and Education Notebook, ensure the following information is highlighted-

- The correct child
- The right school that you are entering the information for

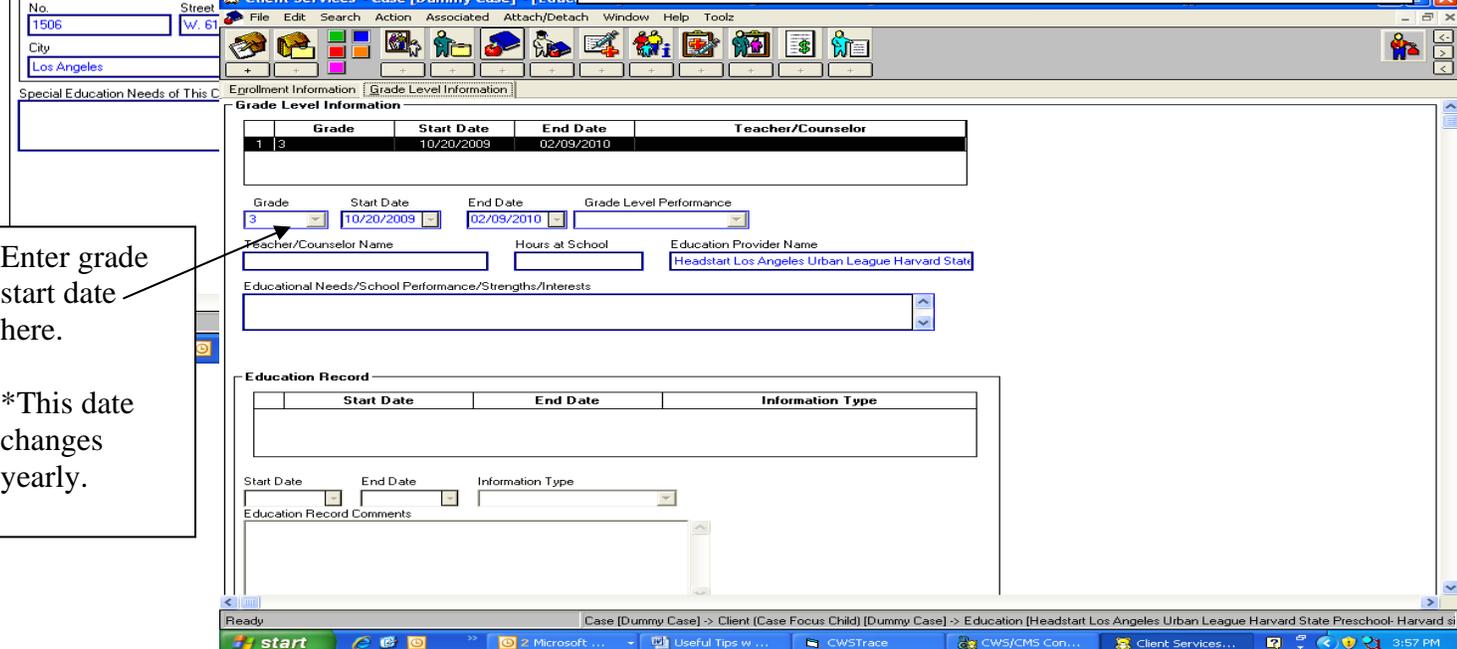

Correct child

Enter enrollment date in the Enrollment Information page.

*Enrollment Start date & School only changes when the child changes/ leaves a school. If the child stays at the school for three years the enrollment date should reflect that.
