REQUIRED QUARTERLY REPORTING, PURSUANT TO THE NOVEMBER 29, 2023 JUDGMENT APPROVING SETTLEMENT IN THE *KATIE A*. LAWSUIT, REGARDING REVIEWS OF PLACEMENT CHANGE REQUESTS MADE DUE TO "CHILD'S BEHAVIOR"

On November 29, 2023, the United States District Court for the Central District of California entered a judgment approving the parties' settlement agreement and ending the *Katie A*. lawsuit; however, the judgment requires ongoing publishing of information from the County of Los Angeles for a period of 18 months.

The 60 attached case review forms constitute the fourth guarterly publishing of the County of Los Angeles Department of Children and Family Services (DCFS) and Department of Mental Health (DMH) joint reporting pursuant to the settlement, covering the period from July 1, 2024 to September 30, 2024. Per the settlement, the 60 reviews were chosen randomly from the children/youth/non-minors who experienced a placement change request within the guarter and the reason for the placement change was indicated as specify "child's behavior." Also, per the settlement, the reviews whether Intensive Care Coordination, Intensive Home Based Services, and/or Child and Family Team Meetings were provided during the 30 days prior to and 30 days after the placement change date, as well as the duration and intensity of intensive service provision that each child received

"To Enrich Lives Through Effective and Caring Service"

during that same timeframe. Demographics and the total number of moves are also reported.

When applicable, other information is included on the review form to elucidate the circumstances that impacted service provision, describe what efforts were made to prevent the replacement (if there was prior placement change included in this reporting), and explain whether the placement change was due to another reason besides the child's behavior.

The settlement agreement also requires the County to report on what, if any, new measures it has implemented, or intends to implement, based on the findings in the immediately prior Quarterly Report. There are no new measures to report at this time.

These reports will be publicly available and can be accessed on the Los Angeles County Board Correspondence website: (<u>https://lacounty.gov/government/board-of-supervisors/</u> <u>board-correspondence/</u>). The reports will also be posted on the DCFS and DMH public websites.

If you have any questions, you may contact us, or your staff may contact Aldo Marin, DCFS Board Liaison, at (213) 454-6652, or Crystal Kibby, DMH Board Liaison, at (213) 700-2521.
